

SOUTHERN MINNESOTA
INITIATIVE FOUNDATION

Collaborating for Regional Vitality

Brown County Investments

We envision southern Minnesota as a prosperous and growing region with vibrant communities, innovative and successful economies, and engaged and valued citizens. To achieve this vision, Southern Minnesota Initiative Foundation, a regional development and philanthropic organization, fosters economic and community vitality in 20 counties of southern Minnesota through a culture of collaboration and partnership.

Making a Difference

Fostering social-emotional readiness in children

Through a home visiting grant from SMIF, MN Valley Action Council was able to expand their training and home visiting opportunities. MN Valley Action Council seeks to foster social-emotional readiness through their home visiting program by working with children and training parents in the Growing Great Kids curriculum. Home visiting programs are central to ensuring that all young children thrive and have a healthy life of learning, achieving, and succeeding.
